Improvement Company Changes.

E. M. Clark has resigned his position with the Improvement Company and has gone to San Antonio, N. M., to accept a responsible position with the Carthage Coal Co., with headquarters at that city. Mr. Clark has been with us a long time and has many friends in this place who wish him all kinds of good luck. He is a thorough gentleman with extra-ordinary business ability and will ever be found going towards the top of his ladder. Mr. Clark is anceseded at the improvement Company office by C. D. Frost who is himself a fine fellow and a very popular gentleman.

The Odd Fellows' entertainment on Thursday night was largely attouded. The program was well carried out and enjoyed. Odd Fellows in Alamogordo have a strong membership and are able to get up a good entertainment any old time, whether it a birthday party or not. But, after all, Odd Fellowship does not consist in its ability to get up good entertainments but rather its power to teach brotherly love and charity, hence the order's remarkable growth during its 57 years oferitaence, and its banner of brotherly love will wave as long as civilization lives.
